*** SCAM ALERT ***

Utility services scam targeting seniors

The Yonkers Police Department has recently received several reports primarily from senior citizens regarding the utility services scam: specifically, residents have received telephone calls from fraudsters pretending to be Con Edison employees instructing the residents to purchase MoneyPaks (a prepaid debit card instrument) in order to make a false payment or risk having their service disconnected.

As always, NEVER engage in any unsolicited financial transactions over the telephone, and ALWAYS verify exactly who you are speaking with before providing any information. The SAFEST course of action is to simply HANG-UP on unsolicited, unknown, and suspicious calls you are unsure, ask a trusted friend or family member for assistance, or call the Yonkers Police at (914) 377-7900.

UTILITY SCAM

You receive a telephone call from a utility company threatening to shut off service, unless you pay a bill or fine.

VERIFY the information; call the utility company directly.

There are dozens of scams and confidence tricks that fraudsters use, but the goal is the same - **they want to steal your money!** Follow these basic tips to keep yourself from becoming a victim.

- **NEVER** give your personal or bank information to anyone over the telephone, unless:
 - You know exactly who you are talking to and/or the company they work for; and,
 - You are engaged in a willing and voluntary transaction.
- **DON'T** give in to pressure to take immediate action
- **HANG-UP** on suspicious phone calls.
- **VERIFY** information before taking action; ask family members or trusted friends for help.

Scammers often work by wire-transfer – if you are asked to wire money, it's probably a SCAM.
